Do you want a free gift card system?
In 2017 REBA decided to implement a gift card system for its members. To be eligible you only have to pay the membership fee and have an EFTPOS terminal to be able to use the gift cards. There is no cost to the customer or the business to use the system. Only a REBA member's EFTPOS terminal will be able to accept cards. Terminals are activated upon joining REBA by a smooth process that only takes a few moments. Cards can only be loaded with funds once but can be used multiple times for purchases at different stores until no balance is remaining. Cardholders can check the balance of their cards at ww.cards4all.com.au

Load up store location:
Bargain Basement,
63 Perrin Street, Robinvale.

Want to sign up? That is easy. Simply fill in your details using our membership form and pay your annual membership fee and we will activate your EFTPOS terminal and you are ready to accept the gift cards. Membership renewals are due in October
each year.

Where can gift cards be spent? Simply go to www.visitrobinvale.com.au/reba for a list of participating businesses. Members will receive a sticker to be displayed for customers to identify your store as a REBA member that accepts the gift cards in store.

• Use them as meal vouchers.

• Business can use them for bonuses for staff E.g.
